

Author Statement

Manuscript title: Map Liberator: An open-source tool for recovering spatial epidemiological data from static situation reports

As corresponding author for the above-named manuscript I declare and take legal responsibility for stating that each person named as an author of the manuscript:

- has made substantial contributions to the conception or design of the work; or to the acquisition, analysis, or interpretation of data for the work; AND
- has drafted the work or revised it critically for important intellectual content; AND
- has approved the final version to be published; AND
- agrees to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

I also declare that persons who have made substantial contributions to the work reported in the manuscript, including those who provided editing and writing assistance but who are not authors, are named in the Acknowledgments section of the manuscript and have given their written permission to be named. If the manuscript does not include Acknowledgments, it is because the authors have not received substantial contributions from nonauthors.
